Interpretation is as varied a thing as the faces each one of us wear. The way in which 3,300 different people view a seagull, a storm, or a sunset is as diverse as the people themselves.

Times are changing. The Ragnarok staff has tried to reflect this change through the yearbook—your yearbook. We are presenting a journal of a portion of your life, in hopes that when you look back on it, you will recall happy memories and people in a time that once and only once was.

We have done our part and have tried to include all aspects of our atmosphere. Now we present Ragnarok to the students every single 3,300 of you. Now it's your turn to view September 13, 1971, to June 15, 1972, as we saw it.

And whether you're fourteen, looking into the future towards that hazy evening in June three years away, or eighteen, going through the fulfillment of four long years, wondering where you'll be this time next year, your time, our time, is now.

Love,
Josh

PRESENTING...

the class of 1972

SENIOR OFFICERS

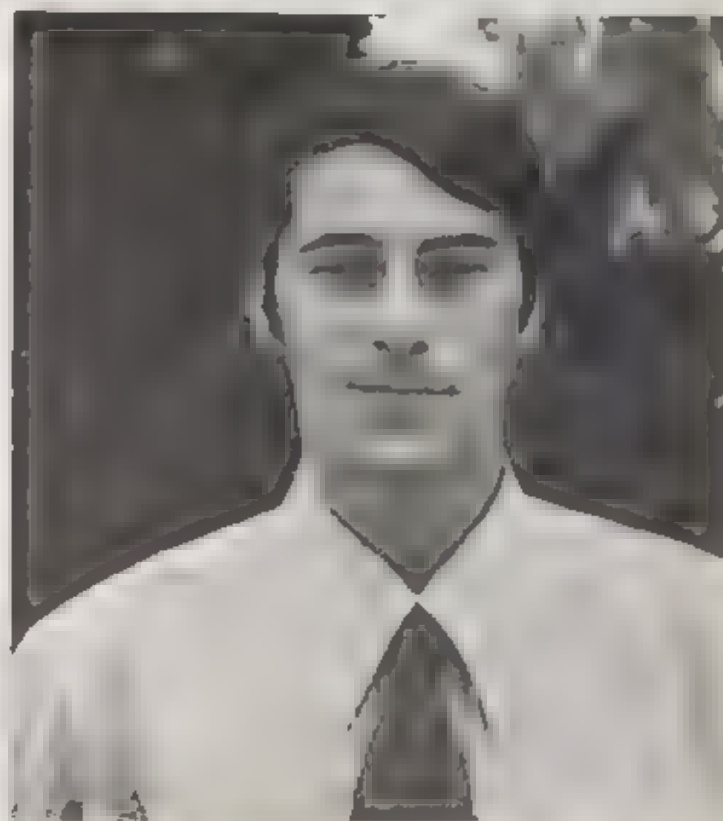

Commissioner-Steve Erickson

President-Craig Daniels

Secretary-Janet Koch

Treasurer-Jim Wolfe

Class Advisor- Mr. Buhman

Treasurer-John Hamburg

Vice President-Susie Pfingstel

Graduating, finally, the senior class of 1972 can now look back on the previous years of high school life. Here is your chance to look back and realize what a senior goes through in four years.

As freshmen, you were degraded by everyone else on campus. Walking through the halls, everybody else seemed to be four feet taller than you were. Dodging and ducking became a way of life.

Sophomores were a different breed of cat. Being a sophomore, you still suffered ridicule from juniors and seniors. But the title of sophomore entitled you to degrade incoming freshmen. This helped a little for vengeance is sweet.

Your junior year was almost tolerable. During this year, you received class rings, which really made you feel like somebody. Juniors also began performing meaningful duties. Sponsoring the Junior-Senior Prom was one of the most lucrative and rewarding activities that a junior class can accomplish.

Now as SENIORS, you are "King of the Hill." SENIORS run a high school. We control the school government, the club, and the majority of campus activities. We are the greatest SENIOR class ever to graduate from Marina.

During these four years, Marina has undergone many changes which our class helped bring about. Dress codes were abolished, a pass-fail system was initiated, and many more changes were suggested which the class of '72 championed.

"We travel along the road of life;
hardly knowing what we are,
yet always daring to be something."

Lani Blodgett, Vespers Chairman; Sue Dahlberg, Senior Breakfast Chairman, and Rick Rosales, Grad Night Chairman.

Over-all chairman, Caren Siehl

Leslie Maddox, Tickets Chairman; and Kathie Thomas, Honors Chairman.

Grad Committee

The combined efforts of the members of Grad Committee, headed by Caren Siehl, succeeded in making the graduation of the Class of '72 a memorable event. Such activities as the Honors Assembly, Vespers, Senior Breakfast, Grad Nite, and the Ice Cream In were coordinated by these thirty-four seniors. "Anticipation" was chosen as the over-all theme. A new innovation came in the form of "Treasure Gowns" being used instead of the traditional rented caps and gowns.

Because of the tremendous work done by this group, an impressive ceremony and special memories of their last days at Marina were made possible for the members of the Class of '72.

Mr. Munier and his son John ran onto the field to celebrate game activities for father-son night.

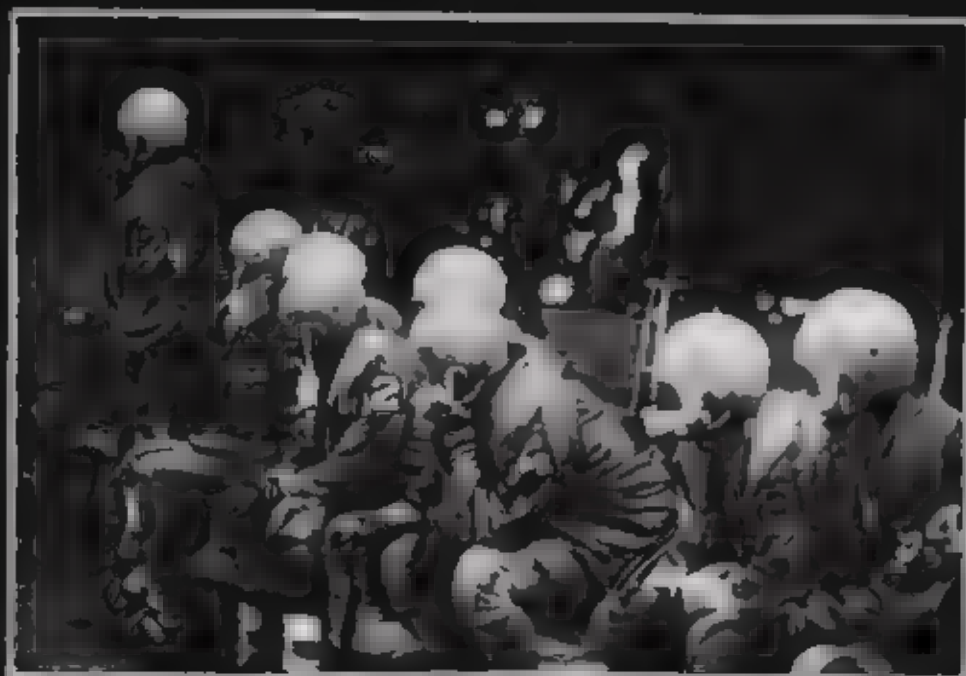

Football Candids

The great Viking Band and Drill Team perform a half-time show.

Being caught in the rain doesn't lessen the spirit of the banner girls.

Vikings watch their team-mates on the field.

A great outlet for students this year was attending the football games, held in the fall. Part of every football game were tension, hopes of winning, and a sock-hop after the game. Whether we won or lost, laughter was always shared, and never will be forgotten.

Drama III, under the direction of Meyer, put on the science fiction play titled "Martian Chronicles." The play deals with the progression of time in the future, and the exploration and settlement of Mars.

Varsity Speakers

Assembled here is the nucleus of the Marina Speech Squad, one of Orange County's finest. Their innovative money-making projects have been unusually successful. Likewise, the many speaking programs they have organized (outside of their rigorous tournament schedule) to be presented to the community have been extremely well received and highly publicized.

Pictured front row left to right, are Cindy Worgull, Cindy Doll Smith (in one of the unusual moments when she is not beaming), Suzie Elliot, and Beverly Wilson.

The matched bookends in the second row are Michael and John Lloyd Davies. From L to R the others are Jan Fischbeck, Dawn Ohlendorf (a recent Chicago import), and Debbie Wiley.

The mustachioed gentleman in the rear is Uncle Marty Watson, the brains behind the entire operation, and the driving force behind the team.

Not pictured are Lisa Maltos and Lanco the Little Piggianino (the club mascot).

Most of the team will be returning next year, and they will then be undoubtedly the best squad in the area.

American Field Service

Craig Chaffin

AFS, or American Field Service, has chosen two students every year from Marina to serve as Finalists in the national competition for placement abroad. If chosen, these students live and study in a different country, learning the customs and nationalistic differences. Students may opt to go for one year, or may go on the summer program. In essence, the primary goal for AFS is better understanding among nations of the world, and striving for peace.

Last year both finalists at Marina were selected to go abroad. Craig Chaffin is still studying in Germany on the year program. He lives with a professor of music and his family.

Trish Waters came back in September after having spent the summer in Turkey. She is shown here with some of her high school friends at school.

Valentine Dance-'72

Seniors kept tradition at the 1972 Valentine Dance. Senior nominees Frances Stoner and Rick Rosales were crowned King and Queen of Hearts--having collected the most money for AFS week.

Junior nominees were Jonette Mann and Ron Swanson.

Sophomore nominees were Gigi Leard and Jeff Prime.

Freshman nominees were Karen Taylor and Frank Sweeney.

A Time For Us

Varsity Cheerleaders

Few people realize how hard the pepsters work during the year. Many hours are also spent during the summer.

Showing enthusiasm and pride, the varsity cheerleaders can be seen at the football and basketball games, helping to lead our teams on to victory.

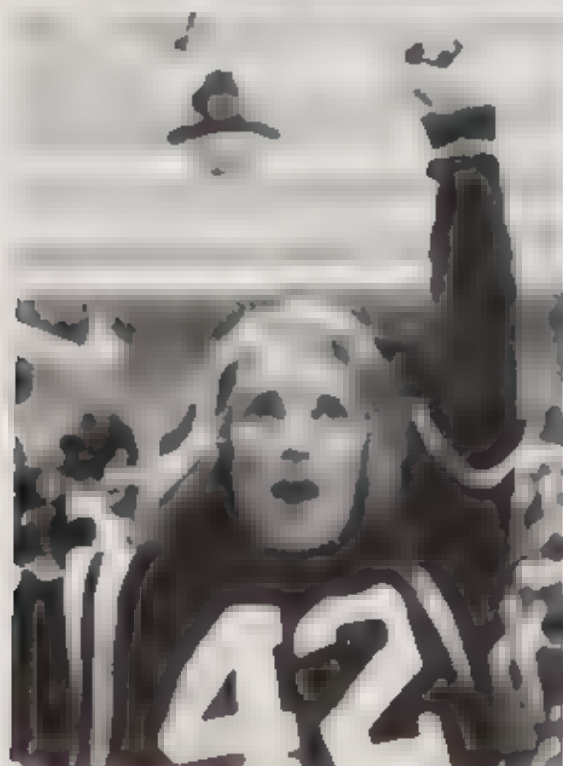

Striving for perfection, the pepsters have taken part in various competitions throughout Southern California. During their summer camp, the Varsity Cheerleaders took First Place - outscoring many other schools in the area.

Spirit Week

Spirit Week is a school tradition at Marina. The week is devoted to promoting spirit and consists of several activities. This year's clubs and classes competed in the, Deck-a-Pres., Pie Throw, Mackerel Smack, Feed Your Babe, Bottoms-up, and the class's Basketball games.

The week was ended by a pep rally and the presentation of the week's awards.

Pep Band

This year Pep Band has appeared at every home basketball game, adding spark and lively music, as well as fine entertainment to the games.

Along with Mr. Mason and the spirit of musicianship of all the members, the band has added class and character to Viking tradition.

Members of the Pep Band include the following: Rick Hill, Asst. Drum Major; Brian Lowe; Ron Bunfield, Tom Hatfield, Drum Major; Ed Fortin, Paul Music, Mike Allen, Gary Hormell, Greg Price, Brad Price, Brad Nelson, Ken Wozenson, Steve Erickson, Jim Jeubert, Gary Halopoff, and Dan Zeilinger.

ACADEMIC ACTIVITIES

The academic life of an institution is a very real and needed part of it. Marina High School is no exception. For along with memories of activities extra-curricular, we can't forget the hours spent studying for finals, worrying about grades, typing term papers...

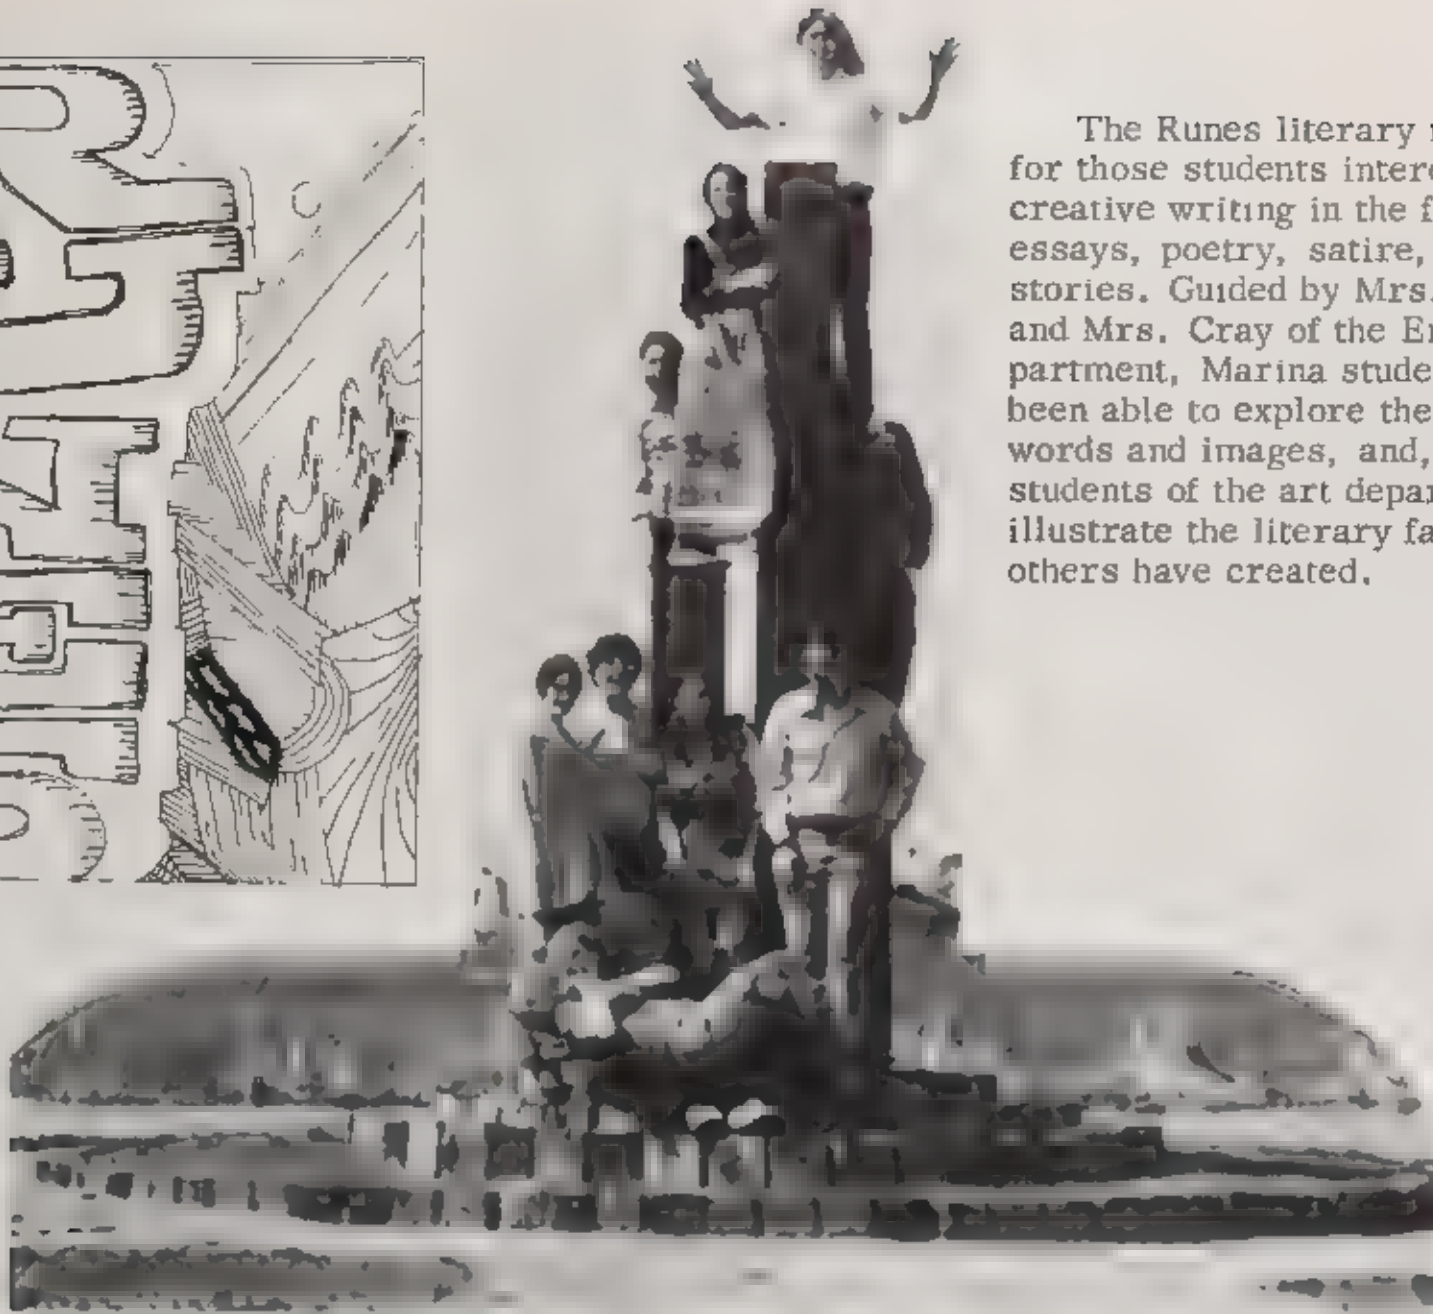

The intellectual offerings at Marina are the greatest in the district. Not only is our library superior, but our resource center, in room 119, offers tapes and films of a great variety.

Academic Activities.

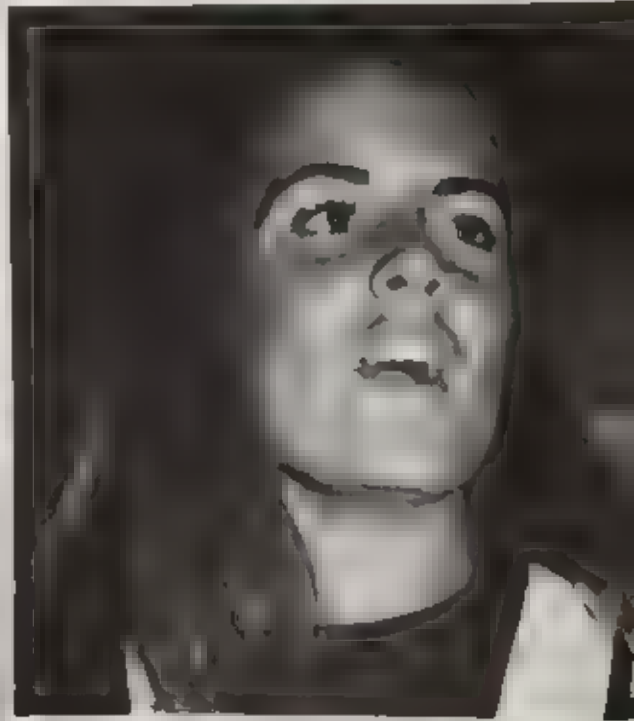

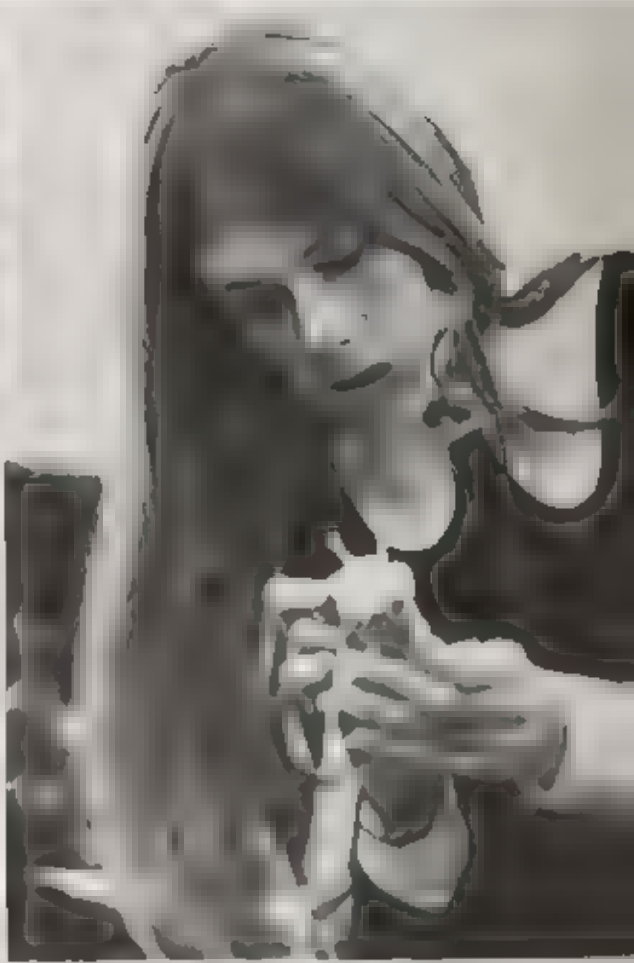

The Runes literary magazine is for those students interested in creative writing in the form of essays, poetry, satire, and short stories. Guided by Mrs. Anderson and Mrs. Cray of the English department, Marina students have been able to explore the world of words and images, and, moreover, students of the art department often illustrate the literary fantasies that others have created.

THE RAGNARÖK

Combining the creative efforts of 24 industrious minds, the Ragnarok staff spends from September to March in concerted work aiming towards one goal --that of producing the finest yearbook ever.

Surely one must be on the staff to appreciate the traumas that lost negatives or late deadlines can bring. But ultimately the rewards are great: meeting and learning to work with people, and creating the book, right here before your very eyes, 1972 RAGNAROK.

Varsity team members show school spirit after a game.

The Sea Rovers are an exclusive group of Varsity football players that they are not even freshmen, Seniors, and leaders in purpose. They are chosen by the Varsity Coaching Staff. The basis for their selection is a realistic and existing requirement. They must at all times put out 100% effort in all of the Varsity ball club as players, as leaders, and as men of Marina. As such, the Sea Rovers are not necessarily star players nor first-stringers nor even letter men. But they are, and they must be, football players in the proud tradition of Marina and in the superb spirit of the Vikings. Subscribing to such a code, the Sea Rovers must be ready at all times during the football season to give and give with everything they have from the first whistle of every practice to the final gun of every game. There must be a relentless and intense dedication to the game of football as it is played in accordance with the demanding standards of excellence set forth by their coaches and their school.

Marine Water Polo experienced its finest year. Second place finishes in all three divisions showed the depth and overall strength of the Viking squad. The Varsity, lead by all-leaguers Ken King and Robby Robinson placed third in the Valencia Tournament and beat many teams who later played in CIF post-season action. Robinson, the most prolific scorer in Viking history, coupled with Captain Ken King's tremendous leadership, spelled disaster to many false hopes of a victory over the Vikes.

The Junior Varsity was led by Jeff Prime, Jeff Edwards, Dave Wenger, and Bill Gunglar. They sported a nifty 12-3 record while blasting league opponents.

The Frosh-Soph team, led by Rod Hormell, Eric Ahberg, and Rod Easter, placed second in the Sunset League and having its skills for the future.

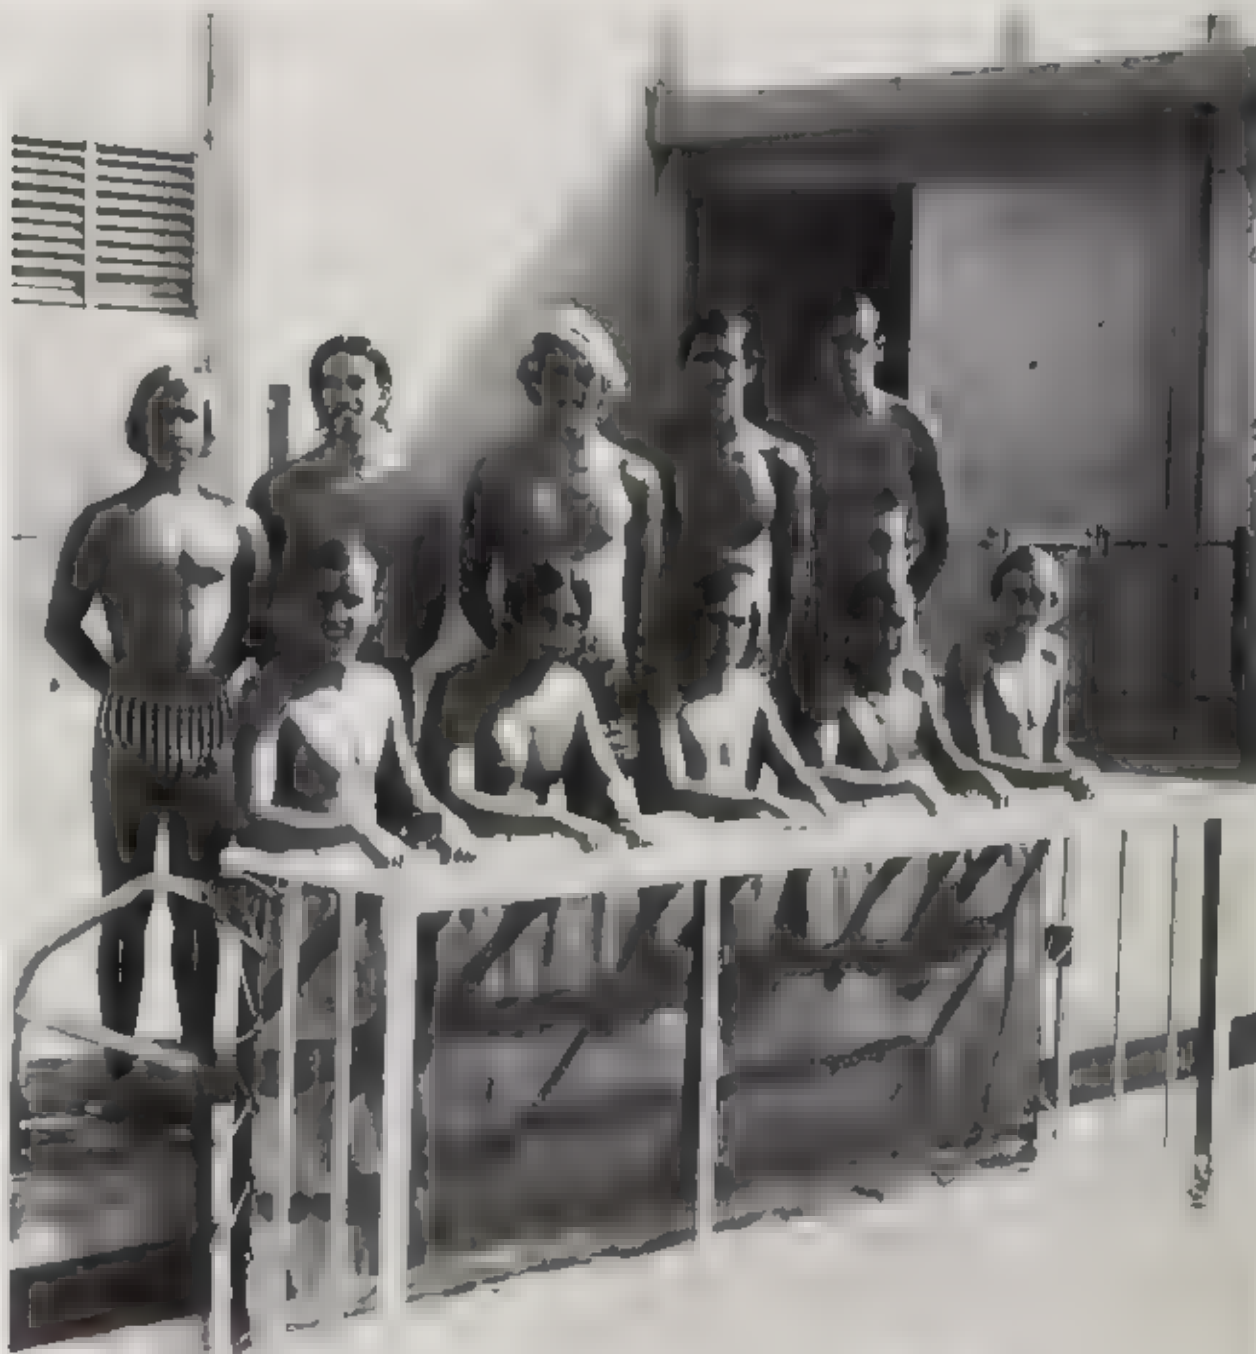

Pride, teamwork, and dedication marked this campaign in a year which all Vikings can be proud of.

Viking Basketball Coaches

The Viking Varsity Basketball Coach, Jim Stephens, has had many well-deserved honors this year. One of these honors was being named Coach of the Year in the Sunset League. He was honored thusly by the following organizations: Daily Pilot Staff, Register Staff, and his fellow coaches of the Sunset League.

Coach Stephens was also named Coach of the Year in Orange County by the Daily Pilot Staff.

No. 1 Varsity Basketball No. 1 No. 1

Jim Stephens' conscientious coaching brought a thrilling season to basketball fans this year.

The Viking Quintet of Bogdan, Speaks, Miller, Adams, and Losner secured the tough Sunset League title with only one loss during the entire season.

Echoes of "We're No. 1" carried over into the CIF play-offs, and the enthusiastic school support contributed to the victory over Compton in the first rounds of competition.

Under the dome of the Anaheim Convention Center, the Vikings advanced a step farther in the play-offs, closing out the Lancers of Sunny Hills.

Finally, at Pauley Pavillion at UCLA, in a double over-time thriller, the Marina Five fell by two points to Los Alamitos.

Marina High School will never forget the 1972 basketball season and the satisfaction of saying "WE'RE NO. 1."

Varsity Wrestling

Aaaargh!

Bill Thomson dominates his opponent.

Dave Keiter nails his opponet on way to league championship.

The 1971-72 wrestling season saw the Viking wrestlers, coached by Joe Corre, finished seventh in the Sunset League. The Vikings were led by Dave Keiter, league champion; and Steve Eredia, who won four Varsity letters in his high school career and had a 21-2 record this season. Dave Rilling, last year's league champion at 168, graduated at mid-year, preventing him from defending his league title. The Vikings were a young team, strong at the lower weights, but hampered by inexperience at the upper weights.

In addition to league champion and CIF finalist Keiter (123), Greg Pickett (141) and Don Smee (148) each finished third in the league tournament.

A bright future seems likely for the Viking wrestlers, as only three wrestlers graduate from this year's team. Great things are expected from Bill Hirko, Bob Brazny, Pickett, and Smee, with additional help coming from the remaining Varsity returnees and several bright prospects from the Frosh-Soph and Junior Varsity teams.

1st SEMESTER

ASB PRESIDENTS

Two very capable leaders served Marina as ASB Presidents this year.

For the fall semester, Mike Vandor served in this responsible capacity. Mike emphasized total involvement—getting everyone interested in some aspect of campus life. Through his weekly "President's Report," the student body could sense some action being taken by the Viking Council.

The spring semester brought Scott Wheeler as the new Executive Officer. Scott emphasized the voting procedure during his term, with a review of semester elections, voter registration, and elections in general. Scott also demonstrated fine leadership during the annual ASB Carnival.

Congratulations to Mike Vandor and Scott Wheeler—on a hard job well done.

Marina's Key Club is generally acknowledged as one of this school's finest organizations. Key Club, a division of Kiwanis, is an International Service Organization which stretches not only throughout the United States, but through Canada and the Bahamas as well.

The Key Club is actively involved in serving the school with many worthwhile projects on campus. The members spend the majority of their time in fascinating and rewarding community projects designed to "Enrich Mans' Existence", which is this year's international theme.

The 1971-72 Key Club of Marina High School proudly boasts an energetic membership of 40 individuals who find great satisfaction and personal reward in helping other people.

It can easily be seen that these fine Vikings have "done something for themselves by doing something for others."

KEY CLUB

IN ACTION

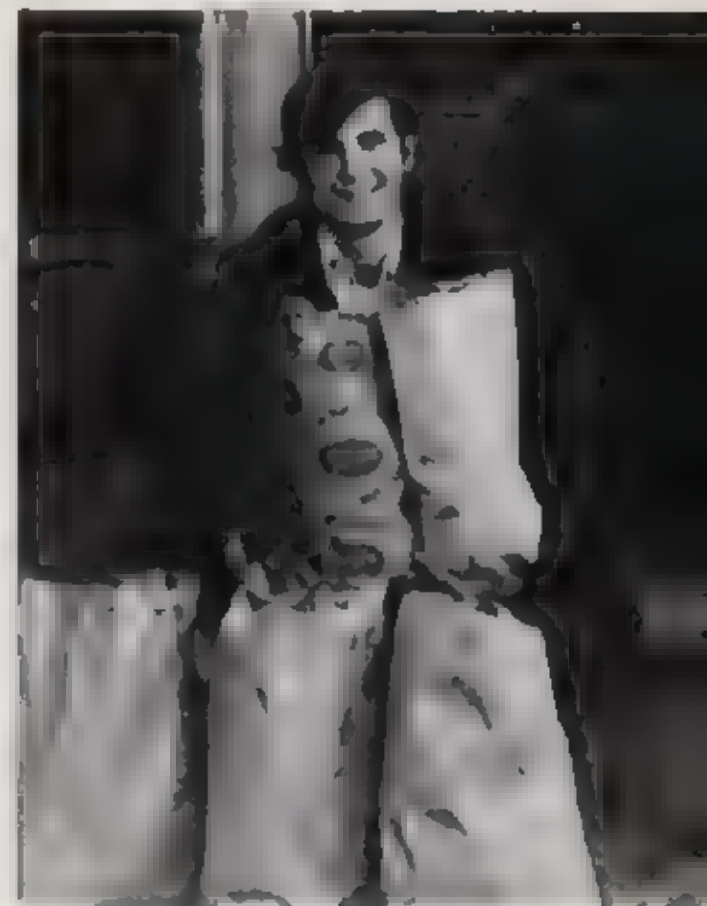

After one evening's work, Key Clubbers enthusiastically display the canned food they collected to aid the Huntington Beach Community Center.

Yasuo Matsushima, a Japanese orphan, is supported by the Marina High Key Club through the club's monthly contributions to his boarding house.

At the annual Yasuo Matsushima Pancake Breakfast Key Club Secretary Scott Wheeler does a fine job of selling customers on the merits of milk supplied by Ed's Dairy.

Key Club President Shawn Millbern personally delivers the 75 lbs. of Halloween candy the club collected for the patients at Fairview State Hospital.

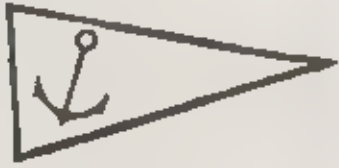

Surrounded by Christmas trees, Key Clubbers begin preparation for their Marina High School Christmas Tree Sale, a project that raised nearly \$2,000 for the purchase of new band uniforms.

Key Club members: Bob Ugland, Joe Pannone, Craig Miller and Bill Hirko raised \$600 selling concessions at a football game. The funds were donated to the H.B.U.S.D. Scholarship Fund.

Anchor

Anchor Club is a senior girls' organization which purpose is to serve the school and the surrounding communities. This year's activities started with serving as Big Sisters at the Big-Little Sister Breakfast. Other projects that followed were, Christmas gifts for retarded children, a food basket for a needy family, serving at various banquets and other functions for the school. The officers are as follows: Susie Yabuki, president; Judy Douglass, vice-president; Carol Marcotte, secretary; Jeanne Dunn, treasurer; and Margaret Armstrong, Historian.

Here Carol Marcotte, Jeanne-Dunn, Gayle Devlin, Judy Douglas and Linda Anderson. They are filling a box of food for a needy family.

Anchor club's fearless leader excitingly leads a meeting, Susie Yabuki.

Janet Koch, Leslie Maddox, Kim Todd and Margaret Armstrong are speechless as they watch Susie demonstrate belly dancing!!

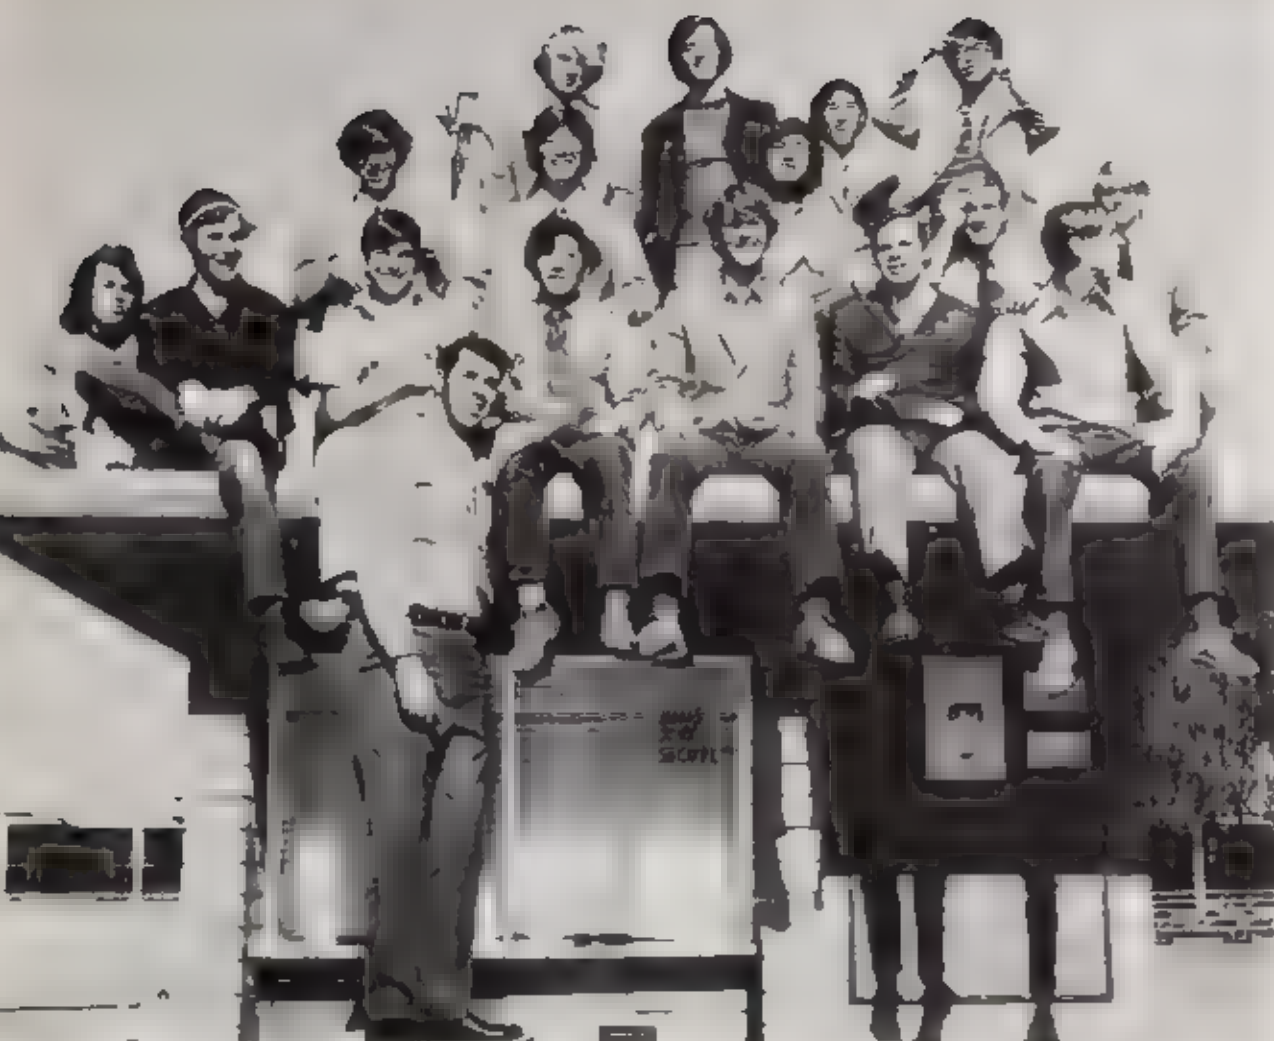

Anchor club girls look on as co-member eats a frog leg!!!

Interact

Interact is one of Marina's service clubs. Their biggest project of the year is the Marina-Westminster Rotary Invitational Basketball tournament. Months of planning go into getting ready for this tournament.

One of the highlights of this game is the crowning of the Queen of Courts. Five girls are nominated for this honor by the basketball team. Interact then chooses the Queen. Our congratulations go to Miss Carolyn Clark, Queen of Courts 1971-1972. Her court was as follows, Stephanie Blase, Terry Carter, Diane Parker, and Jolie Zetler.

TOP ROW (L TO R): Craig Daniels, Chuck Ross, Gary Anwyl, Pat Lee. 2ND ROW (L TO R): Bill Behnke, Ken Wogenson, Jose Rich, Mike Vandor, Don Hellier. 3RD ROW (L TO R): Stacy Roe, Bill Thomson, Jim Davis, Doug Lee, John Hamburg, Russ Bennett, Keith Comer, Advisor: Mr. Womer. Not pictured: Ron Guvitz, Larry West.

Carolyn smiles with delight as she is crowned, in the background stands her Court. From LEFT TO RIGHT: Jolie Zetler, Diane Parker and Terry Carter.

Stephanie Blase and Terry Carter "smile pretty" at the camera or is it the photographer???

"Surprise, surprise" shocked as Carolyn heard she was Queen of Courts!!!! From LEFT TO RIGHT: Stephanie Blase, Carolyn Clark, Jolie Zetler and Diane Parker.

"There she is Miss Queen of Courts", Carolyn stands thrilled with roses and her crown.

Polaris

Being a service club, Polaris Club's purpose is centered mainly around helping their community and Marina itself.

It's main projects this year were a potluck dinner for new members, caroling at nearby convalescent homes and having an Easter party for the handicapped.

In serving Marina, Polaris members have ushered at graduation and served at various other functions this year.

The officers this year were: Cindy Cutforth, President; Linda Iue, Vice-President; Faith Morrison, Recording Secretary; Maureen Baily, Historian; Linnie Hughes, Treasurer.

Polaris Club participated in Club week, here Elysa MacGregor and Maureen Bailey are describing the fun they have belonging to Polaris.

I.S.C.

INTERNATIONAL SERVICE CLUB

I. S. C., International Service Club, is responsible for making the foreign exchange students feel more at home while at Marina.

This worthwhile organization also helps raise money to send students abroad. Students who went abroad this year were Trish Waters, who went to Turkey, and Craig Chaffin, who went to Germany.

Officers this year were Linnie Hughes, president; Ann Wells, vice-president; Debbie Rogers, Secretary; and Ellen Sung, treasurer.

C.S.F.

CALIFORNIA SCHOLARSHIP FEDERATION

The purpose of CSF is to recognize and reward academic achievement, and to foster scholarship, citizenship and service in the school. CSF has had evening programs featuring speakers, conducted the annual book sale, and contributed to the "Dollars for Scholars" fund.

California Scholarship Federation also helped the school by tutoring students. Officers this year were Larry West, president; Trish Waters, vice-president; Lam Blodgett, secretary.

PEP

Pep clubs main goals are to support the teams. They do this by painting banners, decorating for games, running pep assemblies, providing a cheering section of the members on the 50 yard line and taking care of the homecoming activities.

Pep Club generally helps to promote spirit at Marina and a school always needs spirit!! The pepsters help with Pep Club by giving the members themselves incentive.

This year Pep clubs President was Lani Blodgett, Vice Pres. Frances Stoner, Secretary Laurie Weaver and Treasurer Janeanne Upp.

VIKINGS Yea!

PEP Club members showing their spirit for Marina!!

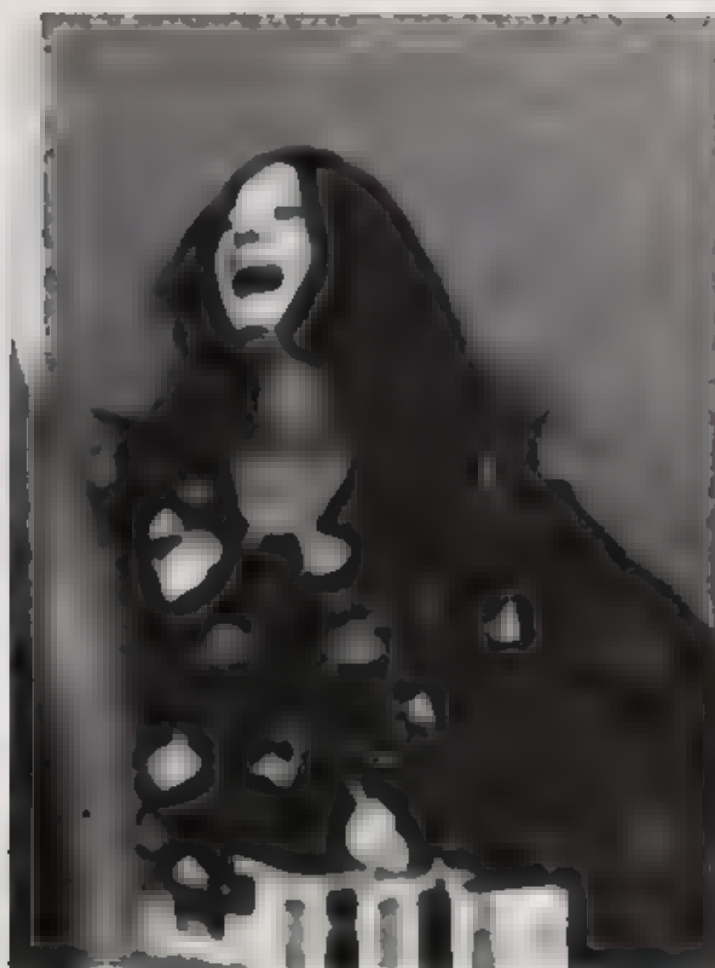

Many people participate in PEP Club.

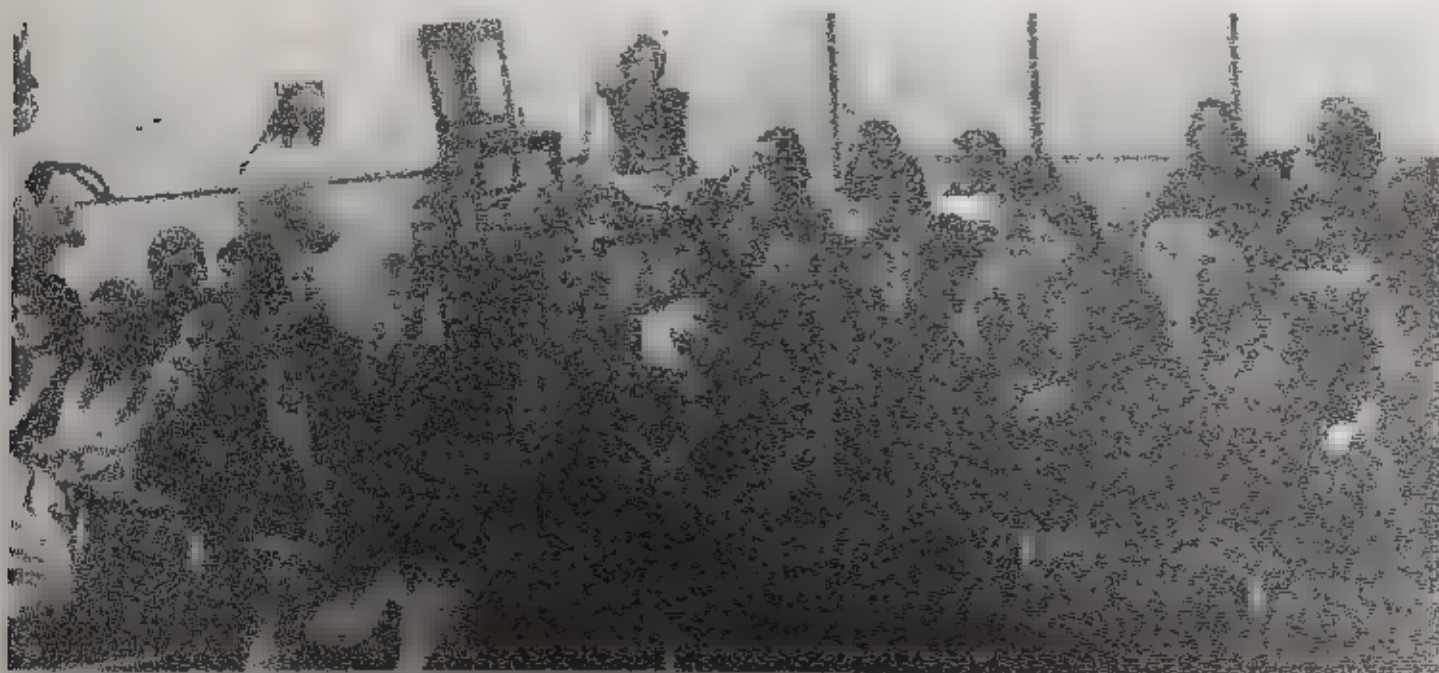

Pepsters can be seen at all Pep Club meetings.

"Come on! That's the spirit," Lani Blodgett, President.

Here Lani Blodgett, President, is helping promote spirit by participating in Deck-a-Pres. during spirit Week.

Pep Club Meeting

President Miss Kathy Billings.

Girls' League

Girls' League started the year off by presenting to the incoming freshmen the Big Sister-Little Sister Breakfast. The Hello Dance, the year's first sock-hop, was sponsored by the organization to welcome everyone back to Marina.

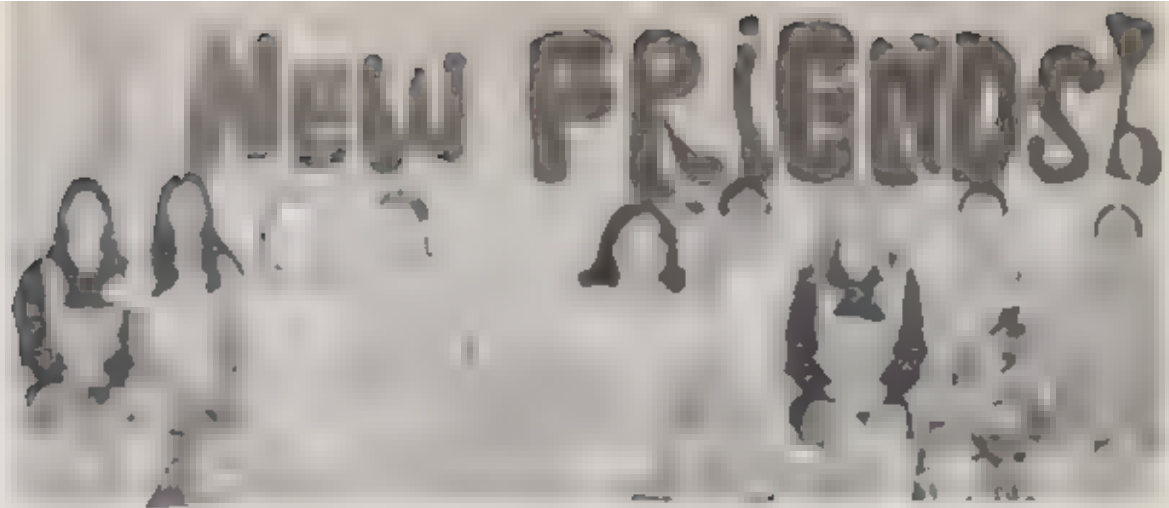

In November, a new event was hosted for the fathers of the girls at Marina. This was the Dad-Daughter Date which seemed to help break the Generation Gap for many.

The annual Candy Cane Sale during December was the only money-making project to Girls' League this year. The money received helped them present their biggest event of the year, the Valentine's Dance.

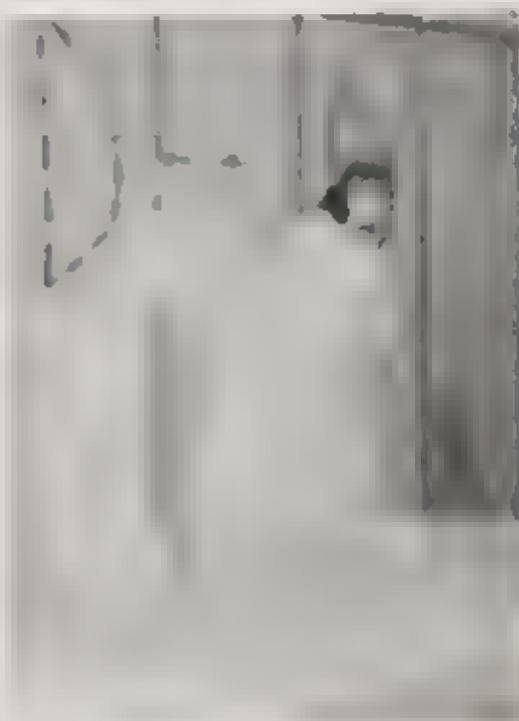

The month of May brought the Mother-Daughter Tea which honored all girls of the month and their mothers.

In addition to all of these events, Girls' League had a special day for the girls each month. On this day every girl at Marina was honored and sometimes given something such as lollipops at Halloween.

This year's officers were: Kathy Billings, president; Linda Romero, vice-president of dances; Ellen Sung, vice-president of assemblies; Alisha Gonzales, recording secretary; and Lucy Tucker, Treasurer.

Girls' League Board poses at the Big-Little Sister breakfast. LEFT TO RIGHT: Gayle Devlin, Jeanine Dunn, Kathy Billings, Debbie Willey, Linda Romero, Linda Anderson, Ellen Sung, Carol Marcotte, Lucy Tucker and Sue Tovatt.

Boys' League

BOYS' LEAGUE

Boys' League is an organization composed of all boys and is directed by a board of officers and homeroom council. The Boys' League worked very hard to promote better feelings among all the boys on campus. The League sponsored various activities during the year, including the popular sports nights.

N.F.L.

NATIONAL FORENSIC LEAGUE

The only requisite to join National Forensic League is the desire to have fun in this dynamic, active club. Mr. Martin Waters, NFL coach and advisor, works hard to put speech on the scoreboard. 'We have many excellent speakers, and many promising ones. There is no reason why Speech Club cannot become the focal point for speech talent and all students who are really willing to become involved in a worthwhile program.'

NFL has sponsored many activities during the 1971-72 school year. The club has held a "Guess the Weight of the Great Pumpkin" contest, where the object was to guess the weight of a 50 pound-5 ounce pumpkin. Speech has also sponsored a Bagel sale, a Christmas program, and has traveled many miles to represent Marina at important speaking contests.

NFL President was Michael Lloyd-Davies, Vice-president Pat Evans; Secretary, Debbie Wiley; Secretary-in-charge-of NFL stuff, Cindy Smith; Treasurer, Beverly Wilson.

If you want to have fun, travel, and receive recognition for Marina and yourself, join the most active organization on campus; join NFL.

Fellowship with CHRIST

FELLOWSHIP WITH CHRIST

Fellowship with Christ is a group of young people who meet together to share their experiences, their love and their belief. The true fellowship with Christ is achieved by their following what Jesus instructed when He said, 'Behold, I stand at the door and knock, and if any man hear my voice, and open the door, I will come into him and have fellowship with him, and he with Me.' Revelations 3.20.

Business

BUSINESS MANAGEMENT CLUB

The world of business is a rat race. Picking a product, forming a corporation, finding a production sight, organizing and reorganizing corporation structure, selling stock, selling the product, advertisement, and involvement.

These are just a few of the Business Management Club's objectives, all of which were reached during their profitable candle sale. The main goal of this business venture? You guessed it--profit.

The executives of this club are: Jim Saia, president; Bill Martin, vice-president; Lisa Babel, treasurer; and Sheree Flangel, secretary.

Medical Explorers

MEDICAL EXPLORERS CLUB

The Medical Explorers' Club is composed of those students interested in medical or science professions. Field trips to hospitals, clinics, laboratories, veterinary offices, dentist offices, and nursing facilities allow the students to observe and learn about their future professions. The members also plan a monthly party for the retarded children at Highland Exceptional Children's Home in Santa Ana.

The Club's officers this year were: Craig Daniels, president; Pat Evans, vice-president; Pat Evans, secretary; and Laurie Weaver, treasurer.

Russian

RUSSIAN CLUB

Russian Club is one of the most spirited clubs on campus, participating in all the Spirit Week activities. The members learn about the Russian culture and language. Mrs. Senicki is the club advisor.

Spanish

Spanish Club has once again begun, every other Friday at lunch in room 209. Our club consists of President-Kim Lindelin, Vice President-Linda Jue, Secretary-Treasurer-Cherie Gould, I.O.C. Representative-Kim Frazier, and about eight other interested members.

Some of our activities that we have planned for the year are a bake sale, a possible field trip, a speaker, and a year end banquet.

Because our club has not been in action for two years, we're hoping to get some of these activities done and make the club's year a rewarding one.

BERLIN

German

GERMAN CLUB

German Club's purpose is not purely educational. Instead, it is a fun-filled gathering of students who enjoy activities with a club which is still affiliated with their German classes. Activities include parties, field trips, and picnics.

Learning about other cultures is interesting and we hope that German will become a part of any interested student's curriculum.

Officers this year were Nancy Hare, president; vice president-Valerie Park, secretary, Roxanne Marcoux; and treasurer, Stephanie King.

Creative Writing

CREATIVE WRITING

Creative Writing produces the RUNES, Marina's literary magazine. The Creative Writing Club gives encouragement to students to try their hand at writing for their own satisfaction. Mrs. Anderson is the advisor and anyone is invited to join this club.

Latin

LATIN CLUB

The main activity for Latin Club this year was its annual Roman Banquet in March. All the Latin classes participate in this event. The banquet consists of a Roman dinner, entertainment, and the annual awards for achievement in Latin. During the course of the banquet the first year Latin students act as slaves, serving the meals and obeying all orders.

This year, the Latin Club also participated in the ASB carnival and planned several parties and field trips.

The officers this year were Maureen Bailey and Russ Bennett, consuls; Ron Banfield, pro-consul; Shelley Bailey, secretary; Heidi Hetzler, "Juno"; Dana Skaggs, "Jupiter."

Gladiators are always a popular event at a Roman Banquet. Here Don Goodwin has just put an end to Dana Skaggs.

Slave Marian Barrit is serving Heidi "Juno" Hetzler, consul Maureen Bailey and Debbie Carmondy.

Maurice Nelson gets the Roman treatment from his slaves Marian Barrit and Madelon Foster.

AFS bake sale. Mmmm!! Good!!

Halloween bake sale. Ellen Glick, Shiela Jacobs, Sherrie Koons and Gigi Leard.

Resting after the delicious dinner at Gigi Leard's home.

French

FRENCH CLUB

The French Club officers this year were Gigi Leard, president, Sherrie Koons, Vice-president, Shiela Jacobs, secretary, and Mario Caterino, treasurer.

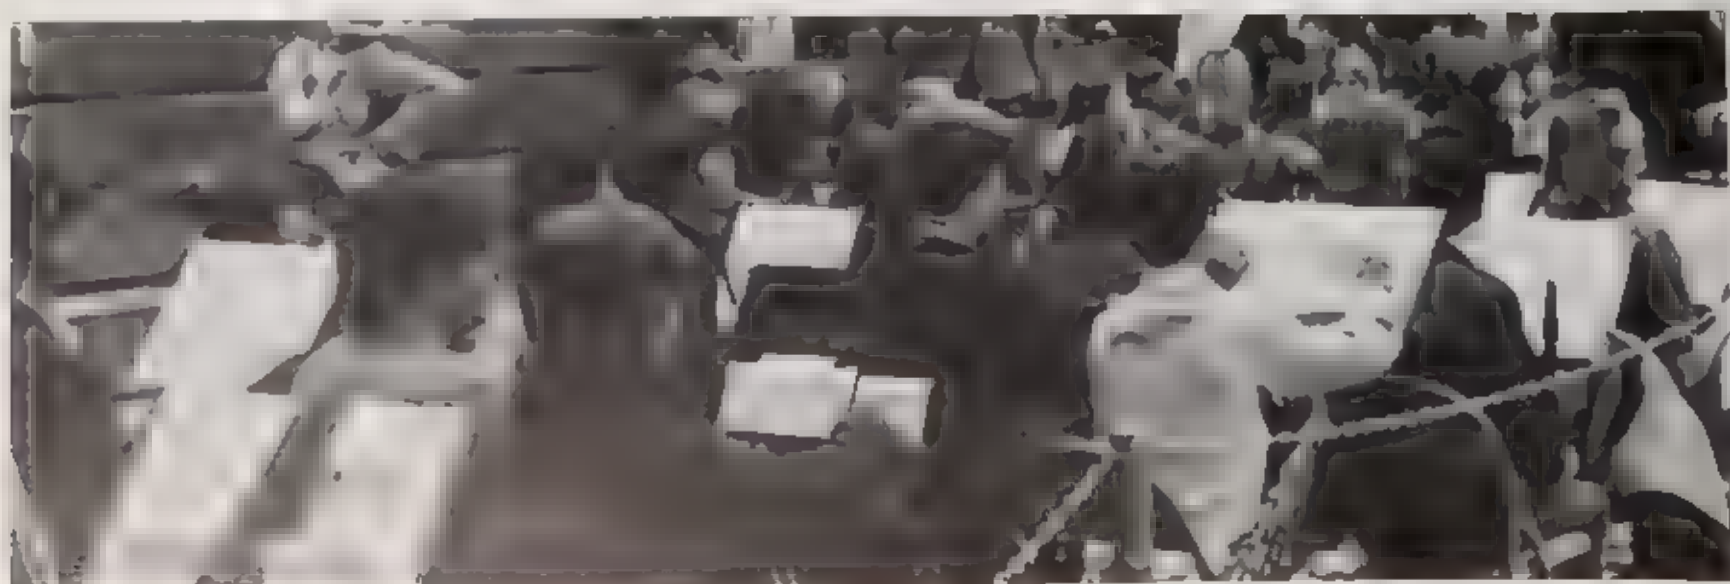

French Club sponsored two bake sales, presented Christmas gifts to all the patients at Stanley Convalescent Home, and had French dinners at restaurants and members' homes. As you can see, French Club has been very active, learning about French culture and language.

I.M.C.

I. M. C. is a combination of students from Band, Orchestra, and Drill Team all working together to help promote something very important to all of them--instrumental music. Under the direction of Mr. John Mason, and officers Cheryl Griffin, president; Tom Hatfield, vice-president; Faith Morrison, secretary; Karen Spitler, treasurer; and, Debbie Luwin, Sergeant-at-arms. The members participated in the club's annual candy sale, Pop's Concert with dinner, and a "Happy Hang-Up's" sale. The money received from these events will all go to the one fantastic cause-- sending exceptional instrumental music students to Arrowbear Music Camp.

Thespians

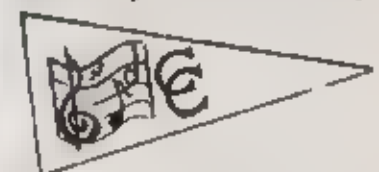

This year's three outstanding main stage productions were the result of the time, effort, talent and hard work of the International Thespian Society. The season's first show, *THE CURIOUS SAVAGE*, was a fine example of troupe 3031's united effort. Other smaller experimental productions displayed the creativity typical of this year's thespians. Many enjoyable field trips and exciting competitions created happy memories.

Led by president Julie Wanderer, this year's thespian group truly had a fantastic year.

Choir

Choir Club is one of the most active clubs on and off the Marina campus. Each year the club carols during the Christmas season, presents singing valentines, and participates in the A.S.B. Carnival. This club also enjoys such outside activities as the annual Halloween Party and various surprise happenings throughout the year.

This club supplies vocal music students with the opportunity to become involved in other activities on Marina's campus.

The club officers are: Kathy Hinton-President, David Johnson-Vice-President, Janelle Bruce-Secretary, Lori Latora-Treasurer.

Sports Officials

SPORTS OFFICIALS CLUB

This year the Sports Officials Club served and assisted at all the swim meets. Also the sports officials helped the coaches keep statistics on the water polo members, which is a big help to these very busy, hard-working coaches.

Back-Packing

BACK PACKING

Back Packing was one of Marina's more popular clubs, with one of the biggest rosters.

The purpose of this club was to help students learn about hiking and to charter trips for these students, so they can enjoy this great sport!

Scuba Diving

SCUBA DIVING CLUB

Scuba Diving Club is a new club formed just this year. It consists of fifteen members who are all certified scuba divers.

The activities scheduled for this year were diving trips to Mexico, Catalina, and many trips along the California coast. Camping in the mountains and a trip along the Colorado River were also a part of this year's plans.

The club officers for this year were: Brad Pierce, President, Jeff Spindler, Vice-president, Debbie Campisi, Secretary, and Mike Fitzpatrick, Treasurer.

Ski

SKI CLUB

The purpose of Ski Club is to tell and get people interested in skiing. We encourage people who don't know how to ski to come to the meetings, so the people who do know how to ski can share their experiences with them.

Special activities of the ski club this year were skiing demonstrations, a ski trip to Mammoth and various locations in Big Bear, and seeing films and listening to guest speakers.

Officers of Ski Club this year were Denise Rimmer, President; Doug Dean, Vice-president; Mike Prime, Treasurer; Kathy Yancy, Secretary; Saskia Lodder, Historian; and Mr. Keller, Advisor.

Radio

RADIO CLUB

This year Radio Club out-did all its previous years on campus. Projects for the year included many new ideas never before tried at Marina. Among these plans were an amateur radio station, amateur television station along with other interesting and useful individual projects. The reason for these activities is to further educate students to radio, television, and other uses of electronics and to stimulate inventiveness and individual accomplishments.

President this year was Ed Falzon, and Club advisor was Mr. Clifner

Ecology

ECOLOGY CLUB

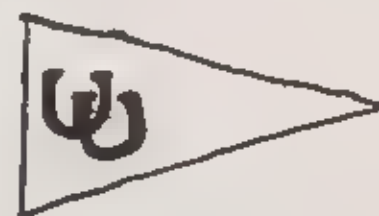

The purpose of Ecology Club is education, involvement, and action on or relating to the issue of ecology. By ecology we mean the relationship of all living things to their environment. Our action related to handling the problems of pollution, overpopulation, destruction of natural resources and other ecological issues.

Officers of Ecology Club were Lynn McGowan, President, Cynthia Worgull, Vice-president, Jan Dunkin, Secretary; and Robin Saemann, treasurer.

Equestrian

The Equestrian Club, formed in 1968, is one of the most active clubs in outside campus activities. Some of the plans for this year were frequent rides, field trips to the races, and most important--the annual Horse Show. These are just some of the many activities that the members of this club enjoy.

The club officers are as follows: Shirley Myers, President; Joni Hatch, Vice-President; Kim Lowe, Secretary; Cassandra Benson, Treasurer, and Sharon Bruns, Historian.

"Go get 'm'!!!" -Cassie Pesen

"Isn't she a beauty." -Sharon Bruns

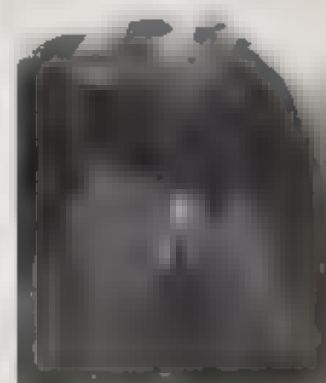

"The Three Musketeers."

"Does Mr. Ed have to put up with all this." -Mary Ross

"Ain't she sweet!" -Kathy Lively

TAKING IT EASY!!
-Shirely Myers

Chess

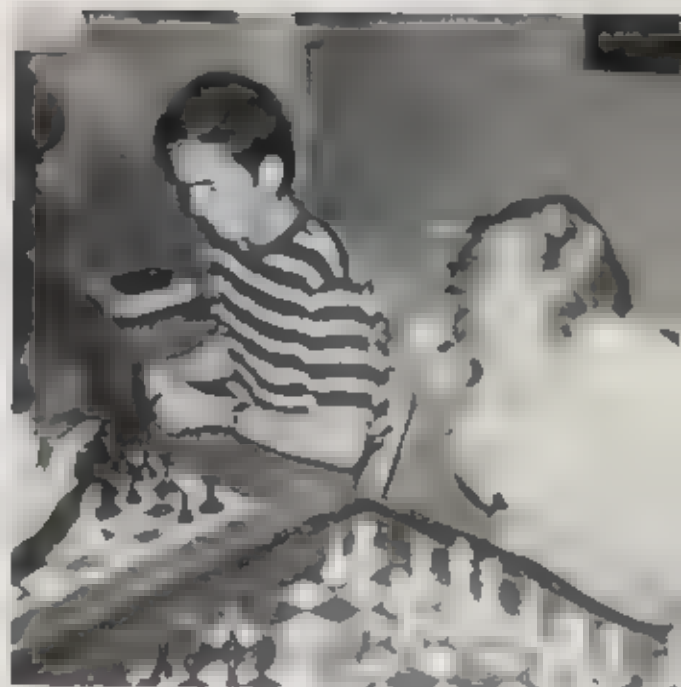

The Marina Chess Club's main purpose this year was preparing for the Western Open.

Through participating in various competitions and tournaments the club members become the 1971-1972 California State Champions. They also compete in the Orange County Chess League which they organized themselves.

This year's officers were, Bill Hirko, president; Steve Erickson, vice-president; and Jeff Spindler, team captain.

Team members are preparing for the National in New York. Rick Williams, Jeff Spindler, Mr. Hiatt

Ron Vivier and Rick Williams.

Pat S... one of Marina's outstanding players.

Typical lunch game. Kim Hand, David... Mark... Jim Wolcott

Steve Erickson and Jeff Spindler, top two players in school.

Rifle & Archery

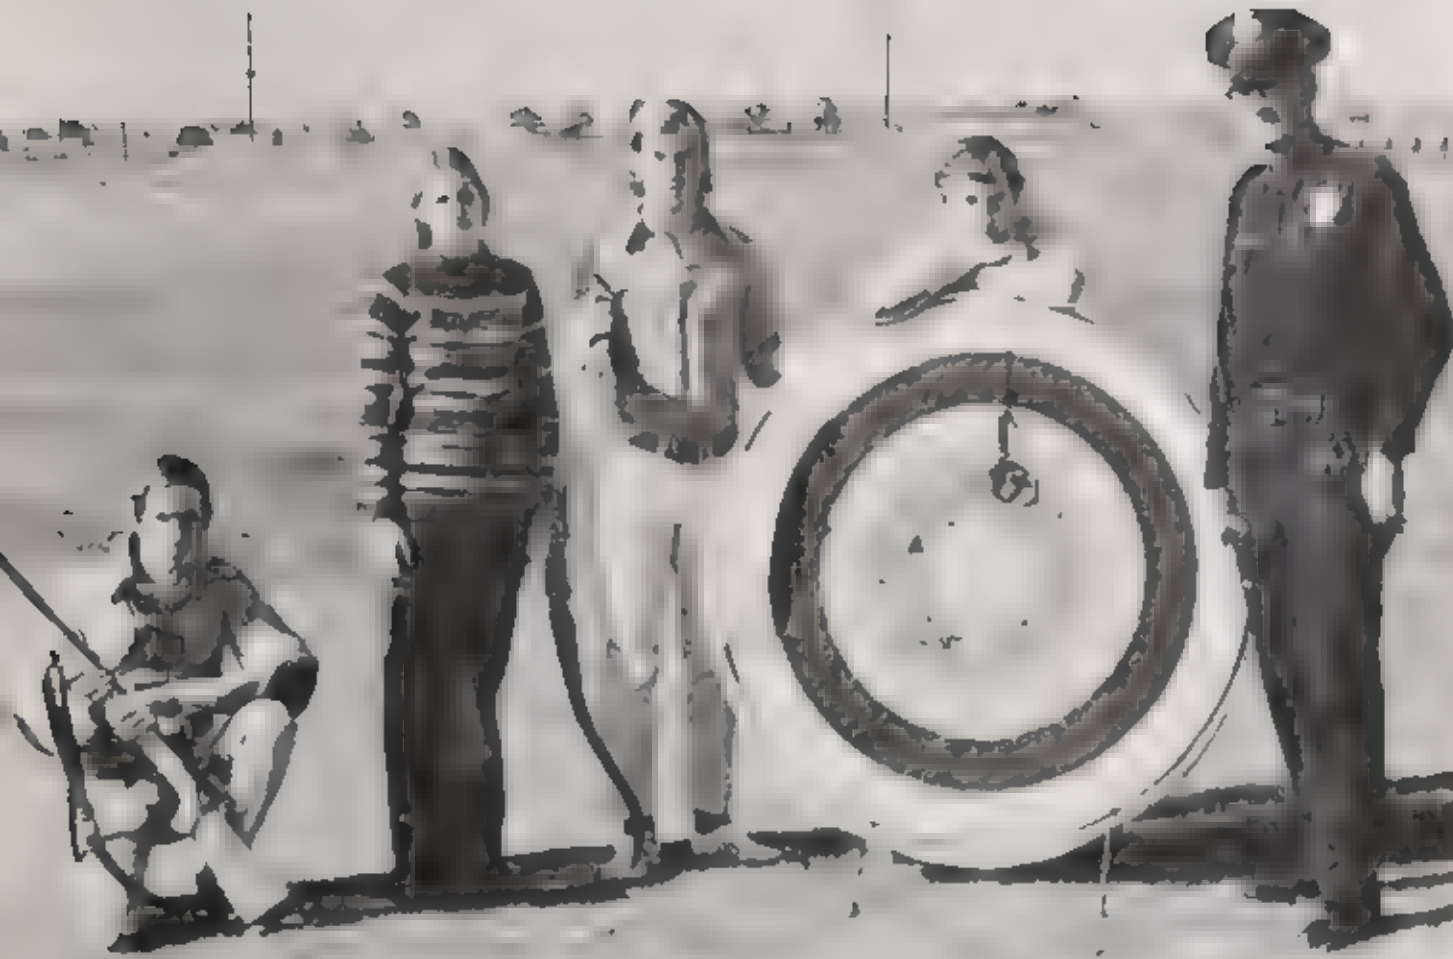

RIFLE AND ARCHERY CLUB

Rifle and Archery was a new club at Marina this year, the advisor being Mr. Obie Moore.

The activities of this club are just what the title says. The members go to shooting ranges and practice to improve their skills.

The members would like to thank Obie for taking his time to help them improve their shooting skills.

Bowling

BOWLING CLUB

Marina's Bowling Club is an organization set up purely for the benefit and enjoyment of the students.

The forty members of this club participate in an established league at Westminster Lanes.

This year's officers were Shawn Nepo, president, Dave Nixon, vice-president; and Laura Campbell, secretary/treasurer.

Amateur astronomers

Lighting Crew

The M. H. S. Lighting Crew is an organization that works in conjunction with other clubs on campus. It provides lighting for dances, concerts, awards presentations on campus, and just about anything with a stage and an audience.

This year's President was Bruce Richards.

CALIFORNIA BOYS' STATE

California Boys' State was the most rewarding and exciting learning experience of my high school career.

As citizens of a newly formed California Boys' State, myself and 800 other students organized and operated municipal, county, and state governments. Political rivalry was sharp; thus deception, bargaining, and propaganda techniques were employed to their fullest advantage. This total and realistic approach served as the springboard for the most complete and vivid education in politics and human relations that I shall ever receive.

Quite often many of us found ourselves engaged in heated debate on current political issues. This open air of free discussion on political views and ideologies is what led this program to be so extremely valuable to all those who participated.

My personal thanks go out to the Seal Beach Leisure World and all members of the American Legion for making this program possible.

Kathie Thomas

CALIFORNIA GIRLS STATE

Through the co-sponsorship of the American Legion Auxiliary of Seal Beach and Leisure World, I was sent to California Girls' State last summer. For the first time the session was held at the Olympic Village in Squaw Valley. For eight days 544 girls lived together as sisters and shared a love unequalled to any I have ever experienced.

All of the girls were separated into two parties: the Whigs and the Tories. Then 34 girls formed a city, three cities comprised a county, and all 544 of us made up the state of California.

By using this set-up we formed our own city, county, and state governments. We ran for offices as would any candidate in our state. Through this learn-by-doing method we all became aware of how the government operates.

In my city, Burnett, I served as a member of the Planning Commission. On the state level I became the only Orange County girl to be elected to the State Legislature where I served as an Assemblyman. While in the Assembly I was a member of the Joint Committee to the Senate, Chairman of the Assembly Education Committee, and was defeated by one vote for the position of Assembly Speaker.

Girls' State was a most gratifying experience and my warm thanks to all the people who made it possible to have such a magnificent program.

Outstanding Teenagers of America

Nominated by Mr. Dysinger, the Outstanding Teenagers of America, Craig Daniels, Kathie Thomas, Trish Waters, and Larry West, were chosen for excellence in community service and academic achievements. These four students competed for the Outstanding Teenager of the Year Trophy which was presented by the state's governor. The state winners were selected by the Outstanding Teenager Awards Selection Committee, in cooperation with the Board of Advisors.

Representing Marina in the regional semi-finals was Craig Daniels. The state and regional winners were eligible for awards totaling \$12,000, and the national winners received \$1,000 each.

Craig Daniels went to Washington, D.C. as Marina's representative to the Presidential Classroom. He was sponsored by the boys' service club, Interact.

In Washington, Craig was privileged to meet with United States Congressmen. He was also taught many aspects of our national government through practical methods.

Selected as Marina's Senate Youth Representative was Trish Waters. Trish was chosen on the basis of her outstanding scholastic record, and contribution to the school.

Competing at the state level, Trish became a semi-finalist, and was invited to Sacramento to meet with Wilson Riles.

Changes at Marina

Mr. Dysinger

Mr. Weaver

On November 23 the Board of Education approved the reassignment of our Principal, Mr. Dysinger to serve as an Administrative Assistant preparing a feasibility study on the all-year concept for our district.

The all-year concept of schooling would put an end to our present system of nine months of school with a three month vacation during the summer. Instead, one would go to school for nine weeks and then have three weeks of vacation. While one group of students are on vacation another group will begin classes. Thus, vacations will be staggered, with the exception of a common Christmas and Easter vacation.

If this concept were to be implemented then each school would be able to facilitate one third more students than they are presently; therefore, lessening the need for more schools.

Replacing Mr. Dysinger as Principal was our Assistant Principal of Curriculum, Mr. Weaver. Stepping up from his position as Assistant Principal of Supervision, Mr. Lucas took over the job of Curriculum Assistant Principal. Filled by Mr. Lucas' post as Assistant Principal of Supervision was Mr. Kennedy, the Athletic Director.

Mr. Kennedy

Vertical Counseling

Over the past years, the Guidance Department of Marina High School has assigned students to a particular counselor, and that counselor has followed the student through each grade level to graduation. Beginning this year, however, a different method of student assignment was initiated in an effort to facilitate comprehensive counseling, and to better meet the needs of the student.

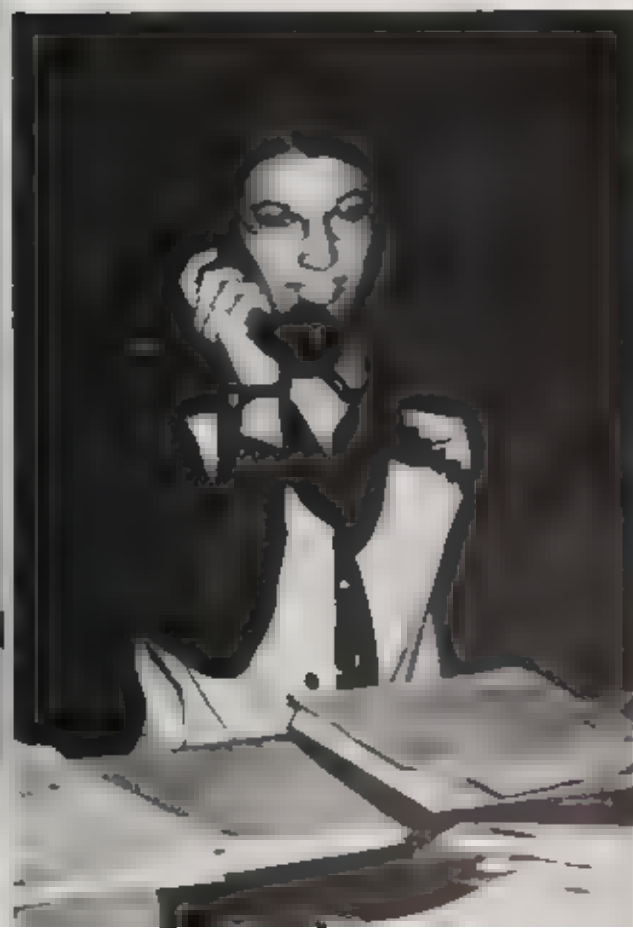

First each counselor was assigned a specific group of pupils to counsel. This was based on the first letter of the student's last name. One counselor, for example was assigned to all pupils whose last names began with the letters "A" through "BUO." The eight counselors involved then do the educational, vocational, and personal counseling with students of all grade levels within their specific alphabetical group.

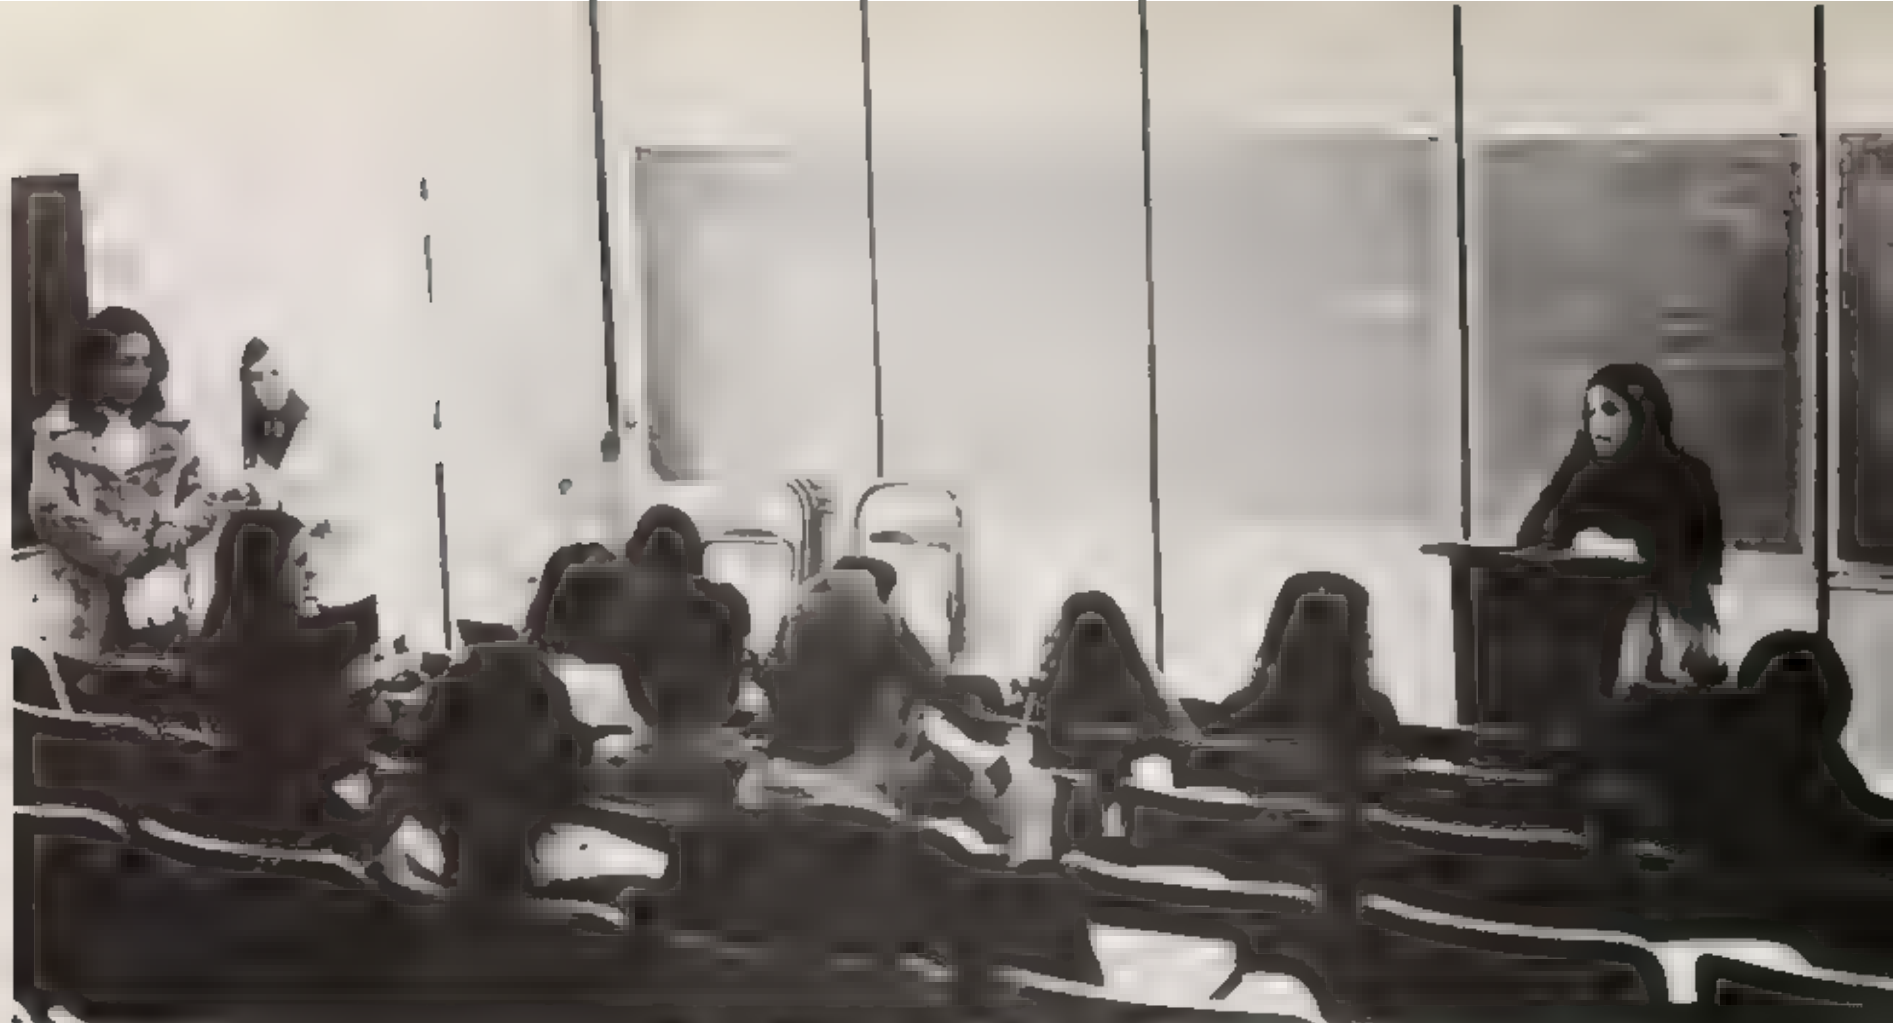

Work Experience

Career investigation is a vocational guidance program wherein interested students spend one semester on a variety of training stations. This is a school-credit, no-pay program, before, after, or during the school day limited to 20 credits.

Vocational Work Experience Education has as its purpose an extension of vocational learning opportunities for students through part-time employment in an occupation for which their instruction in school is preparing them. All of the part-time employment may occur during or after school hours. Participation in this program is limited to a maximum of 40 credits.

Curriculum Committee

Last year Curriculum Committee's major concern was obtaining a Pass/Fail policy for our district. After much hard work the present Pass/Fail policy was approved, and was implemented in September.

This year the committee worked mainly in the development of departmental goals and objectives. As each department set up its goals the committee looked them over and provided constructive criticism.

"The purpose of this committee is to look into present classes and revise the curriculum as it is needed. Since the students are the ones who must sit in the classes, they are the people who know what needs improvement. They must speak out, we need student input," said Kathie Thomas the committee's chairman.

Forum

The Forum Commission, as an integral part of the student government of Marina is responsible for bringing before the students for discussion campus issues of importance.

Members of this year's Forum Commission were, representing the administration, our principal, Mr. Weaver; from the faculty, Mr. Baker; Viking Council's representative, Pat Evans; C.S.R.'s representative, Ed Cleary; and our Student at Large, Ellen Sung.

Working in conjunction with the other student governmental agencies, throughout the year, the Commission worked hard to bring before the students topics of interest. Topics considered for discussion were Pass/Fail P.E., Open Campus, Student Rights, and the A.S.B. constitutional amendments.

Opportunity School

Under the direction of Mr. Carnahan, the coordinator, Mr. Kennedy and Mrs. Anger helped the pupils in opportunity school to develop an appropriate self-image, understand the demands and expectations of society, develop appropriate personal goals, and improve their basic skills.

Portable Classes

Do you remember when we used to have grass on the west side of campus behind the math classes? Well if you look there now, you will see classrooms with dark windows. That's right, rooms 251-254! Well those funny looking buildings are the brand new, much needed, portable classrooms.

Smokers' Clinic

Set up by the American Tuberculosis Association, the purpose of the Smokers' Clinic is to make students aware of smoking patterns, philosophies and reasons for smoking. The clinic was designed as an informative unit to help students quit, or cut down on smoking. However, there is no force on the student to quit smoking.

Our administration feels that it is a better method to teach the students the truth on smoking rather than suspending the pupil.

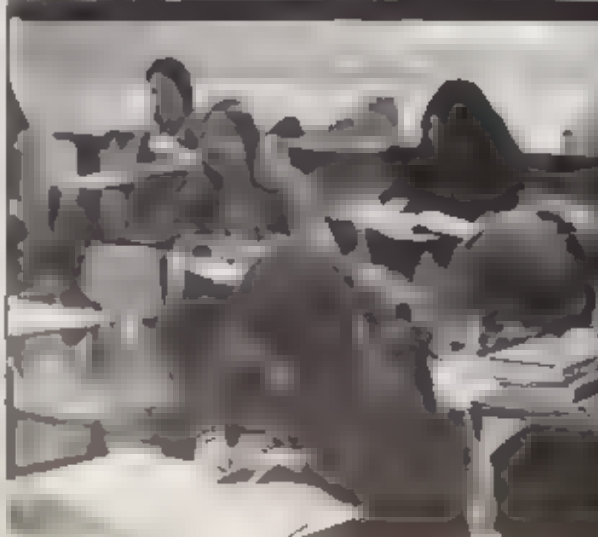

Changing Curriculum

All new to the English Department curriculum were the classes Man and Communication, Sports, Literature, and Science Fiction. Above is a picture of Mr. Parmentier's sixth period Man and Communication class, popularly known as the Communication Game.

If you were a privileged male student at Marina you could have enrolled in the second period guitar class which was taught by the illustrious Mr. Thompson.

The Business Department changed its entire method of teaching last semester. Pupils who enrolled in one of the department's classes found himself working on Learning Activity packages, at his own pace. This program was designed to allow the more advanced students to work at a more accelerated speed, and for the slower learners to take their time to develop their skills.

Christmas at Marina

Above Patti Nichols and Susie Pfingstel, dressed as Santa and an elf, go around to the homeroom classes to spread Christmas cheer, and candy canes. Beside this tradition, Key Club opened a Christmas tree lot to raise funds for the much needed band uniforms.

JUNIORS

The Junior class is faced with the biggest task of the year-- that of sponsoring and putting on the Junior-Senior Prom. Beginning early in the first semester, the juniors work hard during the year to stage this event for their predecessors, the seniors.

Another major event that symbolizes the juniors' upperclass status is that of receiving class rings.

This year the juniors have worked hard at many things earning money for the prom-- bake sales, sock-hops, and concessions.

Congratulations to the juniors for fine work this year-- Onward, future seniors!!!

SOPHOMORES

Sophomores are busy fitting into their "niche" in high school life. By now they've overcome the traumas of being freshmen, well-adjusted to high school, and looking forward to their next two years. (?)

This doesn't leave much room for activities. Next year, however they will find plenty to do with their presentation of the prom.

FRESHMEN

Adjusting themselves to the trials and tribulations of high-school, the freshmen are faced with 3 more years at Marina. In those three years, they will find, friends, fun, excitement, disappointments, success, happiness, frustration, hopes, fears, and all the things that add up to making those four memorable years some of the most important years of their lives.
